## REVELATIONS - Weekly Prophetic Word

*"Fear not, for I am with you; be not dismayed, for I am your God. I will strengthen you, yes, I will help you, I will uphold you with My righteous right hand."*

*Isaiah 41:10*

The season is changing. We can feel it in the air, we can see it in the leaves of the trees, and we can sense it even as we look at the skies above. Change is happening. This change to the fall season we are accustomed to and we know how to prepare for it. But those who are sensitive to the realm of the spirit can sense a greater change that is in process. With this change comes much shaking, much confusion, and many storms that will dislodge, remove familiarity, and bring about new "norms" (for things cannot be "familiar" and "become improved" at the same time!). Blessed are those whose trust is in the Lord for He is with them and will strengthen them. Embrace the change, for your freedom is in it!
